April 10, 2017

BMO Education & Conference Centre

Toronto Western Hospital

Krembil Discovery Tower

60 Leonard Avenue

Toronto, ON

Dear Partners,

Join us for the **2017 Upper Extremity Conference** at the **BMO Education and Conference Centre at Toronto Western Hospital on Monday, April 10, 2017** for interactive discussions, workshops and plenary sessions. The Rocket Family Upper Extremity Clinic is a specialty clinic involved in offering “state of the art” treatment, research on new technologies and treatment approaches, and education. With the increase in amount of quality upper extremity research in the past decade, part of our goal is to help move research to practice. This is the inaugural Rocket Family Upper Extremity Symposium for clinicians to share new and innovative work and to reflect on therapeutic approaches that have had significant support from the research.

On behalf of the Organizing Committee we cordially invite you to actively participate in this Conference. Sponsorship of this event is an effective method of reaching your target audience. As an event sponsor, you will benefit from the marketing exposure from the event and will have the opportunity to interact one-on-one with potential clients, highlight your unique selling feature and make your mark as an industry leader.

This sponsorship package provides you with numerous marketing opportunities. Whether you are interested in introducing a new service or product, increasing your number of contacts, or reinforcing your position as an industry leader, one of our options will help you find a marketing solution. Please browse through these opportunities and see what works for you.

I look forward to working with you and meeting you at the event. Please browse through this package and let us find a marketing solution for you.

Sincerely,

Kim Hussey | Manager, Conference Services

University Health Network (UHN) Education
