2017 Traumatic Brain Injury Conference

February 10, 2017 | Marriott Eaton Centre, 525 Bay Street, Toronto

Dear Partners,

The Toronto Rehabilitation Institute **2017 Traumatic Brain Injury Conference** will take place on February 10, 2017 at the Marriott Eaton Centre Downtown Hotel at 525 Bay Street, Toronto. This is a must-attend event for healthcare practitioners who contend with all areas of traumatic brain injury in their practice: physicians, therapists, nurses, social workers, program service managers, researchers, and service providers from rehabilitation, insurance, and legal organizations. We are pleased to inform you that the theme of this year's event will be focused on mild traumatic brain injury.

Participate in interactive discussions, workshops, and plenary sessions in this one-day forum that will familiarize the delegates with rehabilitation in all areas of mild traumatic brain injury.
