# Building capacity to manage concussion: making sense of chaos

Corinne Kagan  
Judith Gargaro

February 2, 2018  
UHN TBI Conference

# Our

Education

Implementation

Patients/Families

Primary Care

Healthcare  
Providers

Clinics

Policy

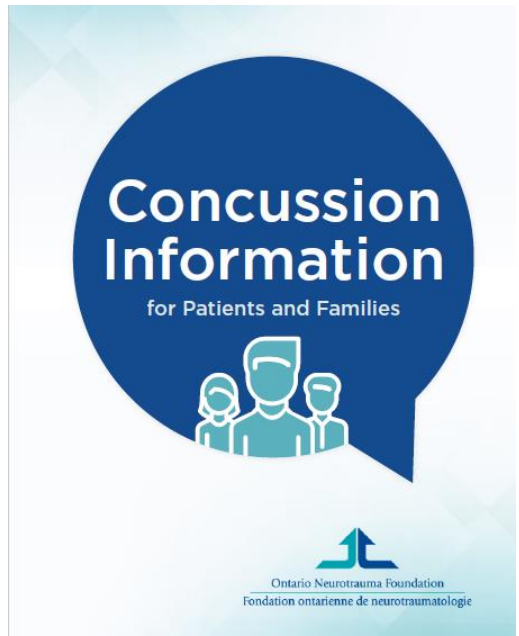

# For patients and families

Knowledge  
is  
power!

- A tool to identify if clinicians are providing service in keeping with the standards
- Patient and Family handbooks (print and web) from existing material

Excellent  
 Very good  
 Good  
 Average  
 Poor

# For Providers

- Continuing education
- Webinars
- Practical and easy to use tools (i.e., Centre for Effective Practice)
- Regional clinician champions
- Concussion ECHO

(Extension for Community Healthcare Outcomes)

# Concussion Clinics

- Why standards?
- A tool to identify how well they are practicing within the standards

<input checked="" type="checkbox"/>	Excellent
<input type="checkbox"/>	Very good
<input type="checkbox"/>	Good
<input type="checkbox"/>	Average
<input type="checkbox"/>	Poor
