

## 2018 Traumatic Brain Injury Conference

February 2, 2018 | Beanfield Centre

Dear Partners,

Toronto Rehabilitation Institute's **2018 Traumatic Brain Injury Conference** will take place on February 2, 2018 at Beanfield Centre, 105 Princes' Blvd, Exhibition Place, Toronto. This is a must-attend event for healthcare practitioners who contend with all areas of traumatic brain injury in their practice: physicians, therapists, nurses, social workers, program service managers, researchers, and service providers from rehabilitation, insurance, and legal organizations.

Participate in interactive discussions, workshops, and plenary sessions in this one-day forum that will familiarize the delegates with rehabilitation in traumatic brain injury.

**On behalf of the Organizing Committee we cordially invite you to actively participate in this Conference.** Sponsorship of this event is an effective method of reaching your target audience. As an event sponsor, you will benefit from the marketing exposure from the event. Furthermore, your participation will allow you to network with key decision-makers, providing opportunities for one-on-one networking and communication with the key influencers in your industry.

This sponsorship package provides you with numerous marketing opportunities. Whether you are interested in introducing a new service/product, increasing your number of contacts, or reinforcing your position as an industry leader, one of our options will help you find a marketing solution. Please browse through these opportunities and see what works for you.

For those of you who have sponsored us in the past, thank you and we look forward to putting forth a successful event once again. For our newcomers, I look forward to working with you and meeting you at the event.

Sincerely,

Kim Hussey | Manager, Conference Services
